Obtaining a Data Universal Numbering System (DUNS) number

In order to conduct business with the Federal Government, most organizations are required to obtain a DUNS number. Your application indicates that you are an organization that fits this requirement. Therefore, we request that your organization obtain a DUNS number so that we can continue to assist you.

The DUNS number is a unique nine-character identification number provided by the commercial company Dun & Bradstreet (D&B). You may call D&B at 1-866-705-5711 to register to obtain a DUNS number. The process to request a DUNS number takes about 10 minutes and is free of charge. Please use the following instructions to navigate through the voice prompts:

1. Dial 1-866-705-5711.
2. Enter "2" to register as a government loan/grant applicant and obtain a DUNS number
3. At this point, a service representative will answer, and suggest that you buy the Credit Builder Service. It is not necessary to purchase the service in order to do business with the Government. If you want to do business with other vendors outside the government, this is an optional service that allows you to do business using a line of credit.
4. Provide answers to the following questions:
 - Name of business
 - Business address
 - Local phone number
 - Name of the CEO/business owner
 - Legal structure of the business (corporation, partnership, proprietorship)
 - Year business started
 - Primary line of business
 - Total number of employees (full and part time)

You may also register for your DUNS number at Dun & Bradstreet's Web site: <https://www.dnb.com/>. Be sure to click on the link that reads, "DUNS Number only" at the right hand, bottom corner of the screen to access the free registration page. Please note that registration via the Web site may take up to 14 business days to complete.
